

Antony Chiramel

Full-Stack Developer

Website: <https://helloantony.herokuapp.com/>

Email: antonychiramel07@gmail.com

Phone: +91 903-515-8037

Home: Bengaluru, India

A not so seasoned engineer but still capable of both web development and deployment, with a year long experience in a staffing company. I have always been a great learner and always have my fingers poised over the keyboard to do the one thing I love to do, Coding.

EXPERIENCE

→ Associate DevOps Engineer(July 2019 - present)

TeamLease Services Ltd

- Worked in a dynamic team to deliver a winning product, IConnect.
- Designing procedures for troubleshooting and maintaining this application. Investigating and resolving technical issues by updating quick fixes.
- Gathering and evaluating user feedback to build tools that are less error prone to improve the customer experience.

→ Internship(Jan 2019 - May 2019)

Cognizant Technology Solutions

EDUCATION

Bachelor of Technology(ECE 2019) CGPA 7.76

Dayananda Sagar University

12th Grade(ISC 2015) 87.6%

St. Joseph's Boys' High School

10th Grade(ICSE 2013) 85.83%

St. Joseph's Boys' High School

SKILLS

HTML and CSS	★★★★☆
Bootstrap	★★★★☆
JavaScript(ES6)	★★★★☆
NodeJS	★★★★☆
ExpressJS	★★★★☆
ReactJS	★★★☆☆
MongoDB	★★★☆☆
SQL	★★★☆☆

HOBBIES

- Am a big fan of Manchester United FC, therefore I follow lot of football.
- Constantly work on side projects and at times you'll find me reading non-fiction.
- I do give my shot at competitive coding in HackerRank.
